**SUMMARY OF INTERVIEW**

Sir:

In response to the Office Action mailed Feb 28, 2007, please consider the following summary of interview.

The present document is a summary of a telephone interview which occurred between Examiner Jason Y. Pahng and the agent of record in the above-referenced Patent Application, Louis Tessier on Feb 14, 2007. Claim 46 as amended hereinbelow was discussed in view of Sawatsky (US Design 374,380). Without further discussion, the Examiner agreed that this proposed claim overcame the cited prior art, but stated that another search was required prior to allowance. The Applicant submitted no exhibit.

46. An implement for supporting foodstuff and allowing food preparation operations to be performed thereon, said

Appl. No 10/645,485

Reply to Office Action of Feb 28,2007

implement being mountable over a supporting surface, said implement comprising:

a body having a substantially planar working surface, said working surface including a main area and at least one auxiliary area, said main and auxiliary areas being substantially coplanar and extending continuously from each other, said main and auxiliary areas respectively defining a main area peripheral edge and an auxiliary area peripheral edge; said main and auxiliary area peripheral edges having distinct geometrical configurations for facilitating the visual identification and recognition thereof; said main and auxiliary areas extending from each other along a shared edge portion of said main and auxiliary areas peripheral edges; said working surface area being substantially planar substantially adjacent and across said shared edge portion; whereby said main and auxiliary areas are adapted to be used for distinct food preparation operations and said continuous relationship between said main and auxiliary areas and said substantially planar configuration of said working surface substantially adjacent and across said shared edge portion allows facilitate scraping said foodstuff between said main and auxiliary areas.

Respectfully submitted,

Louis Tessier
